THE RIFLE ASSOCIATION.

On Wednesday evening last the annual meeting of the Saskatchewan Rifle Association was held in the town hall. From the large attendance of members and the very favorable report of the treasurer, it shows there is more interest taken in shooting than any other pastime.

About 8:30 p.m. the president, Mr. J. L. Johnson, called the meeting to order and explained the position in which the association now stands with regard to the rifle loaned from the Government, and stated that the Government demanded a bond as security. The secretary, Mr. Stephen Brewster, then read the minutes of the former meeting, and the treasurer's report which showed a balance on hand of about \$40.00. After discussion, it was decided that the executive take full charge of the rifle and that the president and secretary sign the Government bond on behalf of the association.

On motion of Mr. T. J. Agnew seconded by Mr. A. R. Burns, it was decided that no ammunition be sold or issued before or after the issuing or recall of the rifle. This was a very important question, as it was suspected that some members got ammunition for other purposes than that which it was really intended.

Communications and telegrams were read and the granting of a range to the association, but being in a rather unsatisfactory shape, it was decided the secretary should write our member at Ottawa, asking for fuller information.

Mr. John Stewart, the representative member in the Dominion Rifle Association at Ottawa, addressed the meeting at some length, congratulating the association on their success and financial standing, and explaining the benefits of such an organization.

The only business remaining was the election of officers, which resulted in the present president and secretary retaining their offices by acclamation. Those elected were:

President, J. L. Johnson.
1st Vice-President, T. E. Baker.
2nd " " R. J. Pritchard.
Sec. Treasurer, S. Brewster.
Asst. Secretary, T. J. Agnew.
Representative Member, J. Stewart.
Executive Council, J. W. Hurd; D. Williamson, A. R. Burns, J. D. Mavery, Jas. McKay, J. McTaggart, G. Gervais, H. W. Newlands, J. F. A. Stull and D. J. Gunn.

Auditors, J. Stewart, T. N. Campbell.
On motion of J. Stewart, seconded by J. McTaggart and carried unanimously, that this association do, in consideration of the able manner in which he performed his duty and the untiring energy he has displayed in furthering the interests of this association, donate to the secretary the sum of \$25. Mr. Brewster very reluctantly accepted the offer and thanked the association very heartily. After a short speech from the chair as to the benefits of the association and congratulating them on their success, the meeting adjourned.

TOWN COUNCIL.

The Council met in the council chamber on Monday last. All the members were present except Coun. Davis. His worship Mayor Bain in the chair. He reviewed the reading of the minutes of the last meeting and the introduction of a by-law to regulate transient traders very little business was done. The time was principally spent in discussing technicalities, neither beneficial to the council nor the town. One of the councillors accuses determined to retard business rather than advance it. It is a great pity that any member of the Council Board should prove to be an obstructionist. Every member was elected to attend to and advance the interests of the town rather than being the means of beginning a petty squabble, which will now doubt continue until the end of the year. We do not intend to spare any member of the council in future. We will give credit to whom credit is due, and those who need the cash will get it. We would like to see the business of the town done in an amiable spirit, and all questions discussed fairly and freely and upon their merits without any red tapism.

Arithmetic.

Taura.—"So you are really engaged to him, dear? He is forty, you say, and you are twenty—just twice as old as you, love. Hear me, when you are forty he will be eighty!"

Clara.—"Good gracious! I hadn't given thought of that!"

AGRICULTURAL SOCIETY.

The annual meeting of the Lacene Agricultural Society was held in the town hall on Tuesday Jan'y 31st. The President, Mr. Wm. Plaxton, in the chair. After a few remarks from the president, the minutes of the former meeting were read and adopted. The Sec. Treasurer's report was also adopted.

The election of officers now being in order it was decided on motion of John Stewart seconded by A. L. Sifton that the election be by ballot.

Capt. Craig and Thos. McKay were proposed and ballotted for, and resulted in the election of Mr. McKay to the presidency for the present year.

Messrs. Jas. Thompson and Wm. McBeath were elected 1st and 2nd vice-presidents respectively.

The Rev. Mr. Howard was elected Sec. Treasurer unanimously.

After considerable discussion the following were elected a Board of Directors: Wm. Plaxton, Wm. Miller, Mr. Capt. Hoey, James MacArthur, Wm. Lyttle, John Stewart, R. J. Pritchard, Wm. Miller, Jr., and Chas. Adams.

Moved by Capt. Craig and seconded by T. J. Agnew that a testimonial be presented to Mr. A. H. Clark, the former secretary, for his efficient services in the past. Carried.

On motion of J. Stewart and seconded by J. R. McPhail that Thos. McKay, Capt. Craig, and J. MacArthur be a committee to consult with the committee from the council re representation, and report at the next general meeting. Carried.

Moved by Capt. Craig, seconded by Dr. Porter, that a vote of thanks be tendered the retiring president, Mr. Wm. Plaxton, and that the same be recorded in the minutes. Carried.

A vote of thanks was also tendered the retiring vice-presidents, Capt. Craig and Mr. Chas. Adams, on motion of J. Stewart seconded by Jas. MacArthur.

The meeting then adjourned.

We believe the members of the masonic fraternity are negotiating with Sheriff Hughes to rent his house to hold their meetings in.

GENERAL NEWS.

OTTAWA, Jan. 28.—The appointment of Mr. Shinkenspear, ex M. P., as post-master at Victoria, B. C., is gazetted.

Englishmen here have sent the following cablegram to Halifax, Chief Secretary for Ireland: "Herd not the ravings of Ottawa Fenians. England and Englishmen everywhere expect you to do your duty to the empire."

Lady Lansdown distributed presents to the employees of the Government house, to-day, according to annual custom.

TORONTO, Jan. 29.—Yesterday was the day fixed for Arch. Campbell, provisional liquidator, to file a statement of his position in connection with the Central Bank, but he didn't do so and the court will compel him to do so to-morrow. The revelations before the master yesterday showed there was a wicked plot to ruin the bank, the principal figures being Cashier Allen, R. G. J. Burnett, E. S. Cox and others. The directors do not seem to be guilty of crime, only lackness of administration. D. Mitchell Macdonald, ex-director, who absconded, assigned his estate for the benefit of the bank's creditors. It was nominally worth \$200,000, but probably will not reach more than half that at the outside. Burnett's brother states that if he is granted protection of the court he will return and give startling evidence as to how the bank was wrecked.

CANADA, Ont. Jan. 29.—The petition against the return of Montague in Hal-dimand was dismissed on Saturday with costs. The gets are greatly mortified over the result, as they were confident they would be successful. Dr. Montague is congratulated on all hands.

CHICAGO, Que. Jan. 29.—Bishop Racine died suddenly of hemorrhage. The funeral will be next Saturday.

WINNIPEG, Jan. 29.—The call says no fewer than 38 Reform printers have been invited since Confederation, as against 24 Conservatives. Eight of these men who hold up their hands in holy horror at the very thought of corruption have been disqualified, while only one Conservative shared the same fate. And yet the Conservatives are charged with corruption, and the Liberals boast of their purity.
